Technical Presentation

Taiwan Wastewater Management and Cleaner Technology for PWB Industry - Jane Tran, OCSD
Jane Tran provided a fascinating presentation on her recent trips to Taiwan for the USEPA and on clean technology programs for the printed wire board industry.

Business Meeting

1. Subcommittee Reports

Dion Castro is now the TCP liaison for the Committee. James Watson will be one of the Industrial Waste Treatment Plant Operator vocationalists from the South. CWEA is developing 26 TCP study guides that will focus on referring on the reader to detailed sources of information. All of the study guides should be out within 9 months. Industrial Waste Plant of the Year nomination forms will be mailed out in mid-October. Responses will be due back in mid-November and winners will be given awards at the CWEA I&HW Conference in February 2000.

2. Treasurer's Report

The current Committee balance is \$19,802.76. The annual financial report for the Committee has been submitted to CWEA and the Committee's budget for 1999-2000 has been turned in.

3. Conferences

- a) The Southern Regional Training and Safety Conference will be held November 15-16 in Long Beach. Ralph Hornbeck prepared the I&IW session for the conference and he has lined up some great speakers. A meeting of the I&HW Committee will be held at the conference, during lunch on Monday November 15.
- b) The Eight Annual West Coast Water Pollution Prevention Symposium will be held November 8-9, 1999 in Monterey. Contact Darren Greenwood at 925/373-5233 to obtain a brochure for the symposium.
- c) Planning for the 2000 CWEA I&HW Conference is proceeding well. The conference will be held at the beautiful Hilton Waterfront Beach Resort in Huntington Beach. There will be an excellent technical program with something for everyone. This year EPA will be holding an advanced pretreatment training course in conjunction with the conference. Be sure to make plans to attend and mark your calendar for February 7-9, 1999.

4. Future Planning for I&HW Committee

The electronic mailing list for the I&HW Committee is up and running. Send a blank e-mail to cweaihw@onelist.com to subscribe, or call Ann Heil at 562/699-7411, x2950 and you will be added to the list. The content for the Committee's web page has been written, and Mike Zedek of OCSD will be translating the content into html. The web page should be up by the end of the year.

5. Subjects for Future Technical Presentations

The following subjects were discussed for future technical presentations at I&HW Committee meetings: TCP Study Guides, Ultraclean Sampling Techniques, and Pretreatment Streamlining.

6. Next Meeting

The next meeting of the I&HW Committee in the South will be on Monday, November 15 at the Southern Regional Training and Safety Conference. The meeting will be held over lunch.

For more information about the Industrial & Hazardous Waste Committee, contact Rich von Langen of CGvL Engineers at 949/476-6050 or Allen Grayson at Lawrence Livermore National Laboratory at 925/422-2300.
