### Old Business

Treasurer's Report (Lucia) - 8/15/05 - \$30, 541.33 balance

TCP Testing - (Carter) -Jeff expressed there is interest in the TCP test from the stormwater field. Darryl and Steve A are surveying CASQA members for interest

### New Business

Sub committee interest, contact Gayle Tupper

WEF (Taylor)- Surveyed membership for the possibility of a utility membership where an agency joins and receives limited subscriptions but covers more members. Wef wants to acquire more members so that it can represent a larger number of water personnel in lobbying efforts. CWEA (largest member association) put together a financial impact report. WEF Board pushed the discussion to April '06.

P2 Week September 19-23, 2005 (Ames) Circulated posters from DTSC

Statewide General Waste Discharge Requirements for Sewage Collection System Agencies(Carter) Impact for smaller agencies more info at swrcb website [www.waterboards.ca.gov](http://www.waterboards.ca.gov) under SSO's
