P3S Meeting and Free Training

Earn 3.0 CEUs

Tuesday, October 25, 2016, 9am – 1:30pm

Los Angeles, CA

9:00am–12:00pm Process and Instrumentation Diagram Training (3.0 CEUs)

As environmental inspectors, engineers, and planners we review IU plans on a daily basis. This training provides the skills needed to understand the process and instrumentation diagrams (P&IDs) in such plans. The goal is to learn how to read and properly interpret the standard set of P&ID symbols and protocols.

The training is offered in partnership with the LA Trade Technical College by Dr. Virgil Shields. Dr. Shield teaches physics, process technology and P&ID topics. He has a Ph.D. in Electrical Engineering and over 35 years of technical experience in laboratory and industrial operations, manufacturing, project management and quality assurance inspections, aerospace R&D, and university laboratory R&D program operations.

12:00pm–12:30pm Free Lunch and Networking

12:30pm–1:30pm CWEA P3S Committee Meeting
