# Who Attends

You're cordially invited to become a supporting partner at the 2019 P3S Conference in Seaside, Monterey County.

**At P3S18 we had 300 attendees. For P3S19 we expect even more people with two new workshops.**

Pretreatment, pollution prevention and stormwater professionals engage in three days of technical training, problem solving and networking. Your product solutions and/or services are important to helping clean water professionals successfully accomplish their projects.
