CWEA

CWEA & WEF MEMBERSHIP

CAREER ADVANCEMENT

PROFESSIONAL DEVELOPMENT

OPPORTUNITY

- Learn from the best by connecting with water professionals in your region and across the state.
- Grow your network and find people who can help you advance your career.
- Make connections and friends who will last your entire career.
- Join one of CWEA's Technical Committees and lead the profession forward.
- Hundreds of educational events and meetings hosted by CWEA and Local Sections.
- Volunteer for a Local Section or Technical Committee and sharpen your leadership skills.
- Certifications in six disciplines allow you to demonstrate your technical competency within the profession.
- Stay in-the-know with monthly E-Bulletin & quarterly magazine.
- Get to know the leaders and decision makers at local agencies and engineering firms.
- Practice your networking, presentation and public speaking skills.
- Nominate (or become nominated) for one of CWEA's prestigious professional achievement awards.
- Volunteer as a CWEA or WEF leader and make an impact on the future of our profession.

CWEA

Founded by wastewater professionals in 1927, CWEA provides education and certification, disseminates

technical information, and promotes sound policies to benefit society through protection and enhancement of our water environment. CWEA is a proud state member association of WEF.

If you enjoy the professional networking, interaction and events CWEA provides – you can take your career to a new level by

joining the Water Environment Federation (WEF). WEF is a Federation of 70 member associations and several operator associations. Contribute your effort and ideas to WEF's discussion of international water issues.
