Workshop Overview:
Get the up to date information you need to know about Biosolids Regulations from nationally recognized experts in biosolids research and regulations.

This workshop will provide you with a wider outlook and understanding about what is known, what is needed, and where the Biosolids industry research and regulations are going.

Who Should Attend:
Operators, practitioners, and managers practicing in the wastewater, and resource recovery industries throughout California.

Approved for CWEA Contact Hours:
- Environmental Compliance Inspector (ECI)
- Laboratory Analyst (LAB)
- Operator (OP)
- Biosolids Land Application Management (BLAM)

→ Gain knowledge about implications of recent research, what detection vs. non detection of constituents in biosolids means.
→ Find out how you can contribute to ongoing studies that can help develop and employ strategies to deal with biosolids issues.
→ Walk away with more knowledge and how to comply with research and regulations!
