CWEA and its Board, members and volunteers are not responsible for the actions of speakers or the contents of their papers, and no endorsement is implied or given of any persons or their philosophies, ideas or opinions; nor of any products or processes used, or of any organizations or companies who volunteer to serve as speakers at the conference.

- Be a part of the dialogue between operators and engineers and learn how to collaborate between different vocations/specializations within the water/wastewater industry.
- Interactive learning through panel discussions and advice from experienced professionals.
- Network with peers in the industry, including students, young professionals, and industry experts.
- Learn about career paths in operations, design, and management.

Conference Highlights:

CWEA Students and Young Professionals Speciality One Day Conference

Wastewater 101: Engineering Basics for Operators, and Operations Basics for Engineers

Wednesday, June 20, 2012

Northern California:
HDR Office
2121 N California Blvd, Suite 475
Walnut Creek, CA 94596

Central California:
Carollo Engineers
7580 N. Ingram Ave.
Fresno, CA 93711

Southern California:
HDR— Irvine CA
3230 El Camino Real, Suite 200
Irvine, CA 92602

3 Locations with distinguished speakers broadcasted simultaneously in all locations:

CWEA’s SYP Specialty Conference

Register for June 20, 2012 Specialty:

- Location □ Southern □ Central □ Northern
- Member □ $50.00
- Non-Member □ $116.00
- Full Time Student □ No Cost

Name of School: ____________________________
(You must attach proof of attendance at a college or university)

Conference Schedule:

8:30 - 8:50 am  Registration Local Introductions
8:50 - 9:00 am  Introduction
Jennifer Shore , Conference Committee
9:00 - 9:50 am  Construction in the Wastewater Industry, Wayne Burger,
MCS Construction
9:50 - 10:30 am Operators 101
Fluid Resource Management
10:30 - 11:20 am Impacts of New Regulations, TBD
11:20 - 11:50 am Break for Panel Discussion Q&A
11:50 am – 12:50 pm Lunch and Networking Break
12:50 - 1:40 pm Engineer’s/Contractor’s Point of View - Do’s and Don’t for Engineers/Field Issues, Randy Lee, IEUA
1:40 - 2:30 pm WWTP Chemicals and Safety Regulations Point of View, Brian Villacorta, LACSD
2:30 - 3:20 pm Municipality’s Point of View: Engineering/Operations from Treatment to Disposal, Paula Zeller, WEF Plant Operations & Maintenance Committee Chair
3:20 - 3:50 pm Break for Panel Discussion Q&A
3:50-4:00pm Closing Remarks
Miluska Propersi,
Conference Committee

This one day conference will review key concepts about water and wastewater treatment, from the operator, engineer, and regulator point-of views. Specific learning objectives include:

- Learn tips for healthy and effective collaboration between wastewater professionals
- Identify and discuss methods for communication vocations within the water/wastewater industry
- Hear valuable concepts about how the industry is changing in response to new water quality regulations
- Learn from the experts: Gain valuable tips including “Do's and don’ts” for operators and engineers
- Discover lessons learned from leaders in operations, design, and management

This conference will be hosted in 3 locations throughout California with distinguished speakers broadcasted simultaneously in all locations!
