pre-conference workshops

Wednesday, September 12 (Lunch not included)

Collection Systems Boot Camp 202
(9:00 AM to 4:00 PM) Earn up to 7.2 CWEA Contact Hours

Based on the popular Collection System Boot Camp 101 the Collection Systems Committee will “Merge Generations” and utilize “H2O Training Apps” to present Boot Camp 202. The training topics in this workshop are essential for collection system workers, including both new and seasoned veterans with a focus towards lead workers, supervisors, and managers. Please consider attending this Pre-Conference Workshop sponsored by CWEA Greater Central Valley Collection Systems Committee. Topics include:

- Design: A Collaborative Process
- Lift Station Maintenance and Rehabilitation
- Flow Monitoring
- CCTV: Scheduling and Supervision
- Hydroflushing “Nozzle Science – The Next Generation”
- Collection System Safety 202

(Boot Camp 202 was originally presented by the San Francisco Bay Section Collection Systems Committee in 2010 and at Annual Conference 2012).

Plan Review 101 (9:00 AM to 12:30 PM) Earn up to 4.2 Contact Hours

The half-day Plan Review workshop will focus on basic plan/drawing reading skills such as terminology, drawing organization, reading and using scales, reading basic schematic drawings, understanding plan-view drawings (e.g., site plans, utility plans, building plans), understanding profile/section views, and locating details. Attendees will be asked to bring 2 to 3 samples of plans/drawings they use in their actual work. Hands-on activities in small groups will be used to reinforce reviewed principles.

Speakers Lani Good, Hydroscience and Linda Leong, SFPUC

technical tours

Wednesday, September 12

Technical Tour (8:30 AM - 11:30 AM) Buses will pick up and drop off at the Modesto Convention Center. Earn up to 3.0 Contact Hours

E&J Gallo Winery Tour - Modesto

The E&J Gallo Winery Tour will start with a brief history of the E&J Gallo company and an overview of the special design features of the Modesto winery headquarters at the Administration Building. The tour proceeds to the Underground Cellar, Bottling, Warehouse, concluding with the Glass Plant where guests will be able to enjoy seeing the glass bottles being made right before them. Guests are also given information on the Research Facility, Lab, Winemaking, Spirits Plant, G-3 Enterprises, Creative Services, and Gallo Technology Center.

Technical Tour (1:00 PM - 5:00 PM) Bus will pick up and drop off at the Modesto Convention Center. Earn up to 4.8 Contact Hours

City of Modesto - Jennings Road Tertiary Treatment Facility

The City of Modesto Jennings Road Treatment Facility treats primary effluent from the Sutter Primary Treatment Facility to secondary quality for river discharge. In 2009, 2.3 mgd of tertiary treatment capacity was added in the first phase of tertiary expansion including a membrane bioreactor process. The tour will include a walk-through of the first phase of the tertiary facility expansion including primary effluent screening, activated sludge aeration (oxidation ditch), membrane reactors and UV disinfection. The city recently gave Notice to Proceed on the Phase 2 project, which will add 12.6 mgd of tertiary capacity. An overview of the Phase 2 project will be provided. Plant staff and design consultant will be available to answer operations, maintenance, and other questions on the tertiary project.

Golf Tournament

Wednesday, September 12

Our Golf Tournament will be held on the Legends Course located at Diablo Grande Golf Club. Tournament check-in is at 8:00 am with shotgun start at 9:30 am. The $90 fee per person will include golf cart, range balls, BBQ buffet lunch, and prizes. For more information and team arrangements, contact Dan Cravins (dan.cravins@fresno.gov) See separate Registration Form online.
