Growing A Fine Team

Training Leads to the Perfect Blend

California Water Environment Association

40th Annual Pretreatment, Pollution Prevention and Stormwater Conference and Exhibition

February 25 to 27, 2013

Marriott Napa Valley Hotel & Spa

Earn up to 20.4 CWEA Contact Hours!
See Page 2
CHAIR’S MESSAGE:

We have a great training conference available to you this year! When I reflect on the past 20 years that I have been active on the P3S Committee, I realize that the training and connections I’ve obtained through the Committee and the Annual P3S Conference have significantly contributed to my growth and success in the environmental protection field. I am sure many “P3S veterans” have shared this experience.

In keeping with P3S Committee tradition, this year’s Conference is designed to be a high-quality, high-value event offering essential training in a forum that facilitates networking with other professionals in the field.

The Conference is being held in the beautiful Napa Valley at the Napa Valley Marriott. The Marriott prides itself on providing exemplary service both for conference events and guests of the hotel.

Scheduled training sessions will cover topics to benefit all attendees, from entry-level field staff to experienced managers, and the signature event at Artesa Winery will offer valuable opportunities to connect with peers from throughout the industry. You’ll also be able to view exhibits and meet leading vendors of equipment and services.

All we need to make this event a complete success is you!

Join us in Napa to take advantage of this tremendous professional development opportunity, to receive valuable training, and to enjoy making new friendships and connections that will last for years to come.

I look forward to seeing you in Napa!

– Tim Potter, Chair, P3S Committee

LUNCHEON SPEAKERS:

The Awards Subcommittee will present the Facility of the Year Awards during Monday’s luncheon. Award winners from Northern and Southern California will be honored for their commitment to environmental protection and resource conservation. Come hear about how these leaders in their industries adopt innovative pollution prevention strategies into their business strategies. Committee members’ commitment will also be honored when the Silver Cover award winners are announced. The Order of the Silver Cover recognizes sustained, exemplary service of P3S Committee members.

Tuesday’s lunch will feature John Gross with Goldstreet Designs who will show us how to “Make Wastewater and Stormwater…Sexy”. Goldstreet Designs is a communications consulting firm serving utilities from across the country in how to effectively reach targeted audiences with technical messages.

Nancy Woo, Acting Director of Water Division of US EPA Region 9 will highlight our luncheon on Wednesday. Nancy will provide valuable information on the status of EPA’s national and regional initiatives, and what priorities are on the horizon for our industry. Don’t miss this chance to hear directly from the source.

CONTACT HOURS: The Annual P3S Conference offers CWEA contact hours for some TCP certifications (ECI, Laboratory); use the contact hour forms provided in your conference packet. Forms will be stamped at the end of each session. Don’t forget to turn in your completed form at the end of your attendance to the conference. There are up to 20.4 CWEA contact hours available for attending the full conference. CWEA is working with the State Water Board to get approval for Continuing Education Units.
This year's signature event will offer an interesting break from the conference and a great opportunity to network with your peers in a festive and fun environment. After the conference sessions are over on Tuesday, beginning at 6:15 p.m. buses will transport you from the hotel to Artesa Winery, beautifully nestled among vineyards in Napa Valley. There, a top chef from Napa Valley Marriott will provide a Taste of Tuscany buffet full of culinary delights. After a pleasant evening of wine, food and friends, buses will return you to the hotel, the last one departing at 9 p.m. Don't miss this exceptional evening event!

To RSVP or for more information, please email Catherine L. Allin at callin@ci.millbrae.ca.us.

**Space is limited for this event so reserve early.** Inclement weather will NOT cancel the event.

**Meet-up in the lobby of the Napa Valley Marriott on Sunday, February 24th at 3:00 pm. After getting acquainted, we’ll board a shuttle for a quick ride to downtown Napa where we will be led on a tour of the award-winning restoration project area that incorporated Living River and Urban Design Guidelines to prevent flooding. We will stroll the downtown area and enjoy hosted beverages and hors d’oeuvres at a local establishment; returning to the hotel by 7:00 pm.**

**Space is limited for this event so reserve early.** Inclement weather will NOT cancel the event.

To RSVP or for more information, please email Catherine L. Allin at callin@ci.millbrae.ca.us.

**Please register for the exciting inspection tour on Monday afternoon. The $25 fee will include roundtrip transportation and tours of the Bin to Bottle Winery and the Napa Valley Marriott Kitchen. This is a great opportunity to see two fully operational facilities in action and learn how they handle their wastewater and stormwater.**

**Please join the P3S Committee for breakfast. Learn about ways to get involved with the committee, meet committee leaders and active members. The P3S Committee has a range of volunteer opportunities and is a great way to expand your professional experience.**
**OPENING SESSION**  
**MONDAY, FEBRUARY 25, 2013**  
9:00 AM – 12:10 PM  
SESSION CHAIR – Phil Bobel, City of Palo Alto

**BREAK**

| A Call to Action to Protect San Francisco Bay and its Fragile Ecosystems | Deb Self, Director | San Francisco Baykeeper |
| The Safer Consumer Products Regulation: An Innovation in Pollutant Source Control | Debbie Raphael, Director | California Department of Toxic Substances Control |

**12:10PM – 1:40 LUNCH:** *Facility of the Year Awards and Order of the Silver Cover Awards*

**MONDAY AFTERNOON SESSIONS**

**EMERGING ISSUES AND P2**  
**Karin North,** City of Palo Alto

- What Could be Future Sampling Requirements for POTWs and Stormwater Programs on Emerging Contaminants?  
  **Dr. Keith Maruya** (Southern California Coastal Water Research Project)
- San Francisco Bay Watershed Loading of Emerging Contaminants  
  **Dr. Lester McKee** (San Francisco Estuary Inst.)

**FATS, OILS, AND GREASE**  
**Chandra Johannesson,** East Bay Municipal Utilities District

- FOG 101: An Introduction to Grease in Sewers  
  **John Schaffer** (EEC)
- Regulatory Perspectives on FOG: How Has the WDR Changed the FOG Challenge?  
  **Russell Norman, Victor Lopez** (State Water Resources Control Board)

**ENVIRONMENTAL COMPLIANCE INSPECTOR TRAINING**  
**John Boyd,** Los Angeles County Sanitation Districts

- Restaurant Rates Revisited  
  **Suzanne Wienke** (Los Angeles County Sanitation Districts)
- East Bay Regional Private Sewer Lateral Program Source Control for I/I Reduction  
  **Angela El-Telbany** (East Bay Municipal Utilities District)

**INSPECTION TOUR ($25 FEE)**  
**Darcy Aston,** Napa Sanitation District

- Meeting Industrial User Permit Requirements in the Winery Business*  
  **John Wilkinson** (Bin to Bottle Winery)
  *Bus will take participants to winery location.*

**BREAK**

**1:50PM – 3:15PM**

- Nutrients in the San Francisco Bay; What is the Science Telling us?  
  **Dave Senn** (San Francisco Estuary Inst.)
- How are Mussels Informing us About Emerging Contaminants in California?  
  **Dominic Gregorio** (State Water Resources Control Board)

**3:35PM – 5:00PM**

- How to Survive a FOG Audit  
  **John Larson** (Larson Consulting)
- The Evolution of a Regional FOG Program – A Case Study  
  **Nadia Borisova** (East Bay Municipal Utilities District)

**BREAK**

- Wireless Monitoring to Enhance Pretreatment  
  **David Drake** (Hadronex, Inc.)
- Water Softener Ban Home Inspections  
  **John Boyd** (Los Angeles County Sanitation Districts)

**VENDOR RECEPTION:** Please join us for the Vendor Reception after Monday’s Technical Sessions. Meet the vendors and enjoy complementary food and beverages. You may even win a door prize!
