*OFFICIAL REGISTRATION FLYER WILL BE SENT OUT IN 2 WEEKS*

We had a wonderful turnout of 67 people at the Redding Cattlemen's Banquet facility for the Awards Banquet and Officer Installation dinner on January 31, 2026. Some of the brave attendees tried the signature "Sewer Water" cocktail (Vodka, Orange Juice and Dr. Pepper), while others played it safe with less "toxic" drink choices. :)

We honored those individuals in our section who have gone above and beyond in their service to the community, the environment, and the wastewater industry. We also recognized those who have committed their time in volunteering to the NSVS Board, and we welcomed in the new set of volunteers!

Collection System—Medium size: City of Redding

Tertiary Recycled Water Plant of the Year: City of Shasta Lake

Almost all attendees received a door prize at the end. The largest prizes of a camping grill and ice cream maker were very exciting!

# Awards Banquet Jan 31, 2026...AND THE WINNERS ARE

Supervisor of the Year: Michael Galea, City of Davis

Outstanding Young Professional of the Year: Nikki Ong, Carollo Engineers and 3– year Secretary/Treasurer of the CWEA NSVS section

Inspirational Person of the Year: Sivarooban “Siva” Theivendran, Wastewater Laboratory Supervisor, City of Redding

Outstanding Service Award: Chase Taylor, City of Redding Wastewater Collections

# Awards Banquet Jan 31, 2026...AND THE WINNERS ARE

Lifetime Achievement Award: Evan. S. “Sandy” Jones, Jr, City of Dixon

Lifetime Achievement Award: Deanna Gonzales, City of Woodland

Past President’s Award: Sheila Nilsen, Jacobs

# Awards Banquet Jan 31, 2026

Past President of State CWEA, Mr. Chuck Greely with West-Yost and Associates, flew in from Southern California, Palm Desert, to attend our banquet and swear-in the new board members.

Like water itself, innovation flows through every challenge and shapes new possibilities. For over 90 years, Carollo has pioneered breakthroughs in water technology – from resilient infrastructure protecting growing communities to groundbreaking solutions safeguarding public health and ecosystems. At Carollo, innovation isn't just about what's new – it's about what's necessary. Every advancement, every improvement, and every solution flows from a single purpose: shaping a future where water enriches every community it touches.
