### **WASTEWATER TREATMENT PLANT OPERATOR (OIT through Grade 3)**

Salary Range: \$57,426 to \$103,130 (annual DOQ)

The Carpinteria Sanitary District is seeking a motivated and resourceful individual to fill an open position within the District's Wastewater Operations department. We will consider candidates from entry level (Operator in Training) to experienced and State certified wastewater treatment plant operators. Visit the District's website at [www.carpsan.com](http://www.carpsan.com) for detailed information on the individual positions (grade levels) available to candidates based on qualifications and experience.

Generally, wastewater treatment plant operator responsibilities include monitoring wastewater treatment plant processes, maintaining and repairing equipment and systems, performing routine laboratory tests, and other key tasks necessary to operate a state of the art wastewater treatment facility. Availability for periodic "on-call" duty is mandatory.

Possession of a valid California driver's license and a high school diploma or GED is required. All applicants must possess or be able to obtain Wastewater Treatment Plant Operator Certification from the State Water Resources Control Board at a level commensurate with the assigned position, within six months. The successful candidate must also pass a post-offer, pre-employment physical and background check.

The District offers a competitive compensation package that includes a CalPERS retirement program, medical, dental and vision insurance for employee and dependents, life insurance, sick/vacation leave, and paid holidays.

Qualified candidates should complete a District application and mail it to:

**Carpinteria Sanitary District**  
5300 Sixth St.  
Carpinteria, CA 93013

Or apply by:  
Fax: 805-684-7213  
Email: [info@carpsan.com](mailto:info@carpsan.com)

Deadline for application submittal is Wednesday, September 23, 2022 at 5:00 p.m. Applications are available at the District office or by visiting [www.carpsan.com](http://www.carpsan.com). All application materials will be evaluated and the most highly qualified candidates will be invited to continue in the selection process.
