

Dear Members and Volunteers,

Our Tri-Counties Section's (TCS) June Workshop and Training Seminar is happening on **Wednesday June 25th, 2025 at the City of Paso Robles**. Choose from various wastewater sessions to earn up to 4 continuing education units, valid for CWEA TCP certificate renewal. This Workshop aims to benefit our members through informative class presentations and topic discussions.

This workshop will include a plant tour of our section's 2024 Treatment Plant of the Year! **Vendor Exhibits** will be open the morning of the workshop, during breaks, and lunch. Lunch will be provided followed by door prize drawings. **Be sure to visit with our generous vendors for a chance to win a "Vendor Walk" grand prize.**

The class program will be posted on our section's website prior to the event. Please take full advantage of this one-day workshop.

Visit [cwea.org/tcs](https://cwea.org/tcs) for an update of this upcoming workshop and future events.

Thank you for your continued support of our local CWEA Tri-Counties Section.
